and surrounding areas

Dear

We would like to invite you to a very special breakfast meeting on 7th October 2015 at The Swan Hotel, Harleston, 7.30 - 9.00am, when we will be holding a Waveney-wide business forum event.

A team from Diss is coming to talk about their project to renovate and rejuvenate the Diss Heritage Triangle, refurbish the Corn Hall and to make Diss Mere even more of a feature. David Case (Trustee), Deborah Sarson (Diss Town Clerk) and Sheila King (Project Manager) will be explaining their project and how it evolved.

It's a fascinating presentation which demonstrates just how much people working together can achieve in their local communities and we felt that it was really important to open this up to fellow business groups so they too could share in the enthusiasm and vision that David Case and his team have shown.

If you would like to book your place for breakfast, please use the Harleston & District Business Forum website - www.hdbf.org.uk and follow the link. There is a choice of full English, continental or vegetarian breakfast for £9.00. Bookings must be received by Friday 25 September please. Breakfasts can be paid for on the day.

If it can be achieved in Diss, it can be achieved in other communities.

This could be a great opportunity to network and we look forward to meeting you.

Yours sincerely

Clive Attwood
